PRESS RELEASE

Montpellier, 20 July 2020

SAVE THE DATE

9 & 10 December 2020: Forum EnerGaïa 2020, The European meeting for energy innovation

Forum EnerGaïa 2020 the annual event dedicated to professionals in the renewable energy and energy efficiency sector, will be held on Wednesday 9 and Thursday 10 December at Montpellier Exhibition Centre – save the date!

For its 14th edition, Forum EnerGaïa expects to welcome 8,500 professionals and 250 exhibitors.

Its 2020 ambition is to make innovation a pillar of the Forum and play an active role in responding to new French and international energy issues faced by cities, regions and industry with, on the agenda: talks, round tables, workshops and pitch sessions placing the expertise of key industry figures at the centre of exchange.

All the necessary public health precautions will be taken to guarantee the safety of exhibitors and visitors, in compliance with legal regulations in force at the time of the event.

**Make a date for 9 and 10 December 2020
for the 14th edition of Forum EnerGaïa!**
