Energy transition

EnerGaïa, 13 and 14 December at Montpellier Exhibition Centre

The international meeting for Renewable Energy sponsored by the Occitanie/Pyrénées-Méditerranée Regional Authority, Forum EnerGaïa will be taking place in December this year at Montpellier Exhibition Centre. **Showcasing uses and solutions to the energy crisis**, these two days of dialogue and business aimed at professionals and local authorities have become a must-attend event.

Ever-wider reach

More than 13,000 participants and more than 350 exhibitors expected, four exhibition halls (one more than in 2022), a business meetings area, three major pavilions (“Sustainable buildings”, “Sustainable transport and mobility” and “Jobs & training”), a business meeting application, more than 100 talks, workshops and pitches. **“Ecological transition and work: how will we work in the future?”** – on 13 December, an opening plenary which will reflect current events and topics.

About Forum EnerGaïa: An annual event dedicated to renewable energy industry professionals, supported by the Occitanie/Pyrénées-Méditerranée Regional Authority and organised by SPL Occitanie Events, the European Forum EnerGaïa has been accompanying the renewable energy industry for 17 years. Backed up by a content-rich programme of talks, round tables, workshops and pitches giving centre stage to the expertise of key players in the sector, Forum EnerGaïa has reasserted its status as a major meeting for renewable energy professionals.

From technical innovation to ongoing projects and from the latest industry developments to new regulations, project financing and shared experience, a wide range of highly tangible subjects are covered at the Forum which, for its 17th edition on 13 and 14 December 2023 at Montpellier Exhibition Centre, expects to welcome more than 13,000 professionals and 350 exhibitors.

Forum EnerGaïa has received the backing of COP21, COP22, COP23 and COP24. It is organised under the high patronage of the French Ministry for the Ecological Transition and the European Commission Representation in France.
